

Tēnā koutou katoa parents, whānau, carers and staff**A few words from Louise**

Now in Alert Level One, we are feeling more at ease in our work, play and learning. We are in the very privileged position in Aotearoa, which allows us the opportunity to live close to something resembling ‘normal’ for the moment. Within such a privileged position, it is important for us to be mindful of how the world around us is still very much in crisis with COVID-19; and to continue to watch our own personal health and well-being moving forward.

For now let’s also celebrate our young learners and the joy and intrigue they present us with everyday. We can learn so much from being “with” our learners, from getting down at ground level with them, or through letting them lead the way as they strive to reach new heights in learning and achievement. I hope you enjoy the display of photos from across the school as we work to come back together to be the strong bonded community that is Oaklynn.

What’s happening around the school**Pink Shirt Day**

A fun day to show our support to stop bullying around Aotearoa. Thought we’d share some photos.
