

Monday 24th August 2020

Kia ora koutou

Following on from this afternoon's announcement we will be remaining at Alert Level 3 until Sunday 30th August or further notice from the Prime Minister.

We recognise that the safest place for you and your young learner is to be at home, and as a school we will continue to provide you with a range of engaging activities through accessible means (online resourcing etc).

The school is currently open for those children (Years 1 - 10) who have already registered. Home learning will continue for the rest of the week and your teacher will be in contact to discuss how that may look for your learner.

The school will be operating with skeleton staff at our Base school premises, and students may not see their regular classroom staff. In place of our usual classroom programmes, a play based, student led approach with a focus on health and well being will be run.

We are looking forward to seeing our learners return once we return to level 2. Your teacher will be in touch to check when your child/young person is returning.

Please do not hesitate to contact us if you have any questions or queries.

Junior School	Pilar Romero	<a href="mailto:pilar.romero@oaklynn.school.nz">pilar.romero@oaklynn.school.nz</a>
Intermediate/ Senior School	Joan Cummings	<a href="mailto:joan.cummings@oaklynn.school.nz">joan.cummings@oaklynn.school.nz</a>
ALE	Kieron Hubrick	<a href="mailto:kieron.hubrick@oaklynn.school.nz">kieron.hubrick@oaklynn.school.nz</a>

Kind Regards  
Oaklynn Senior Management
