

Name 5 Challenge Cards

Simply hold up a card and ask your student to name 5 things which fit within the category. This exercise can improve communication and speaking skills, quick thinking as well as naming, labelling and categorising objects. Above all, the game is a lot of fun and your students will love seeing the colourful pictures and learning as they play.

 hobbies 	 members of the family 	 pets 
 question words 	 things you can touch 	 things you can smell 
 things you can hear 	 things you can taste 	 things you can put on your feet
