

Skinny Jump.

Subsidised broadband for Kiwi homes.

Skinny wants to support all New Zealanders to get affordable broadband.

It is aimed to support people who don't have internet access at home because of the cost.

What Skinny are offering:

- flexible prepaid broadband
- only \$5.00 for 30GB of data
- no contracts or credit checks
- and a free modem

You can apply if your household is in the list

- Families with children
- Job seekers
- Seniors
- People with disabilities
- Refugees and migrant communities
- Those in social housing
