MAKE A...

Leaf hedgehog

Materials and equipment:

A pair of scissors

PVA glue

Autumn coloured paint or colouring pencils

A selection of autumn leaves

Step 1

Go outside and collect some autumn leaves. The spikier the leaves the better, as hedgehogs are best known for their spikes.

Step 2

Carefully cut out the hedgehog template.

Step 3

Use the autumn coloured pencils or paints to colour in your hedgehog's body, face and nose.

Step 4

Finally, use your PVA glue to stick the autumn leaves you have collected onto your hedgehog. Layer up to make even spikier.
